General Information**Places of Interest****The City of Mons Claudianus**

Southwest of Hurghada lies an ancient quarry camp dating back to Roman times, that had been used as a transit point for the purple stones and image columns that decorated the royal temples and palaces of ancient Rome.

This impressive ruined city is adjacent to Shayeb El Banat - the eastern desert's highest mountain peak - from which the most breathtaking panorama of the sparkling Red Sea waters is visible.

The Giftun Island

The Giftun Island is one of a number near Hurghada in the Red Sea that offer various kinds of fun and attractions for the visitor. Giftun Island is ideal for a day trip full of snorkelling, a fish barbecue, beach parties, games and many other outdoor recreational activities.

Climate

Moderate temperatures year round,
