### Our Rides

### Level One

**BODY AND AQUATUBE** — Aqua tube slides are the most popular attractions of waterparks, where the riders are delighted with outer patterns and super nova light effects.

**MULTI SLIDE** — A waterpark essential with shared experiences, Multi Slide offers competition with up to 8 lanes, begins with a free fall and accelerate riders towards the finish.

**TUNNEL FREEFALL** — Freefall attraction sends riders down the tubes at speed to the drop pool at speed

### Level Two

**ROCKET FREEFALL SLIDE** — Freefall attraction sends riders straight down on an almost-vertical slide with an adrenaline rush that lasts till the end.

**MULTI SLIDE AND BODY RACER SLIDE** — Experience the most iconic water race, a registered Polgun design so that only Polgun can manufacture and install, Body Racer enables riders to ride in two separate lanes.

**SPACE BOWL SLIDE** — A sudden drop to a giant bowl, spinning 360 degrees and then dropping to the pool from the center hole or continue the attraction with Aqua tube.

**RAFTING — BLACK HOLE SLIDE** — Part of our Classic Series that features the Light Effects, Black Hole is a must-have raft classic for every park

### Level Three — all the way to the top

**RAFTING —BOOMERANGO BLACK HOLE SLIDE** — Part of our Classic Series that features the Light Effects, Black Hole is a must-have raft classic for every park. Boomerango takes his name from the unique boomerang movement. The raft begins in a tube slide before the freefall.
